Introduction

On April 19, 2016, ALJ Sophia Park granted the Parties' request to hold in abeyance any action or rulings in the proceeding A.11-08-019. The only pending matter in connection with A.11-08-019 is the rehearing of Decision 12-09-006.

We made this request based upon the expectation that Mr. Marcelo Poirier, Staff Attorney for the Commission, would explore how the All-Party Settlement and matters at Kern County Superior Court should be approached. ALJ Park required the Parties to provide a Status Report by June 20, 2016.

Status Report

On behalf of the "Settling Parties" as that term is defined in a Settlement Agreement and "*Joint Motion for Approval and Adoption of the Proposed Settlement Agreement*" filed on March 9, 2016, I respectfully submit this Status Report.

At the Commissioner's Meeting on June 9, 2016, the Commission provided authorization for a representative of the Commission to sign a form of Settlement Agreement that was provided to the Commission by Mr. Marcelo Poirier (the "All-Party Settlement Agreement"). .

Mr. Riley Walter, counsel for GHSC, in consultation with Ms. Maria Pum, and Mr. Marcelo Poirier, will be preparing a motion to be presented to the Kern County Superior Court in Case No. S-1500-MS-375 to authorize Mr. Clifford Bressler, the Receiver for GHSC, to sign the All-Party Settlement Agreement.

We anticipate that these various filings will be accomplished with all deliberate speed in accordance with constraints of the Parties' schedules, but request that the proceeding continue to be held in abeyance pending these filings. The Parties suggest submitting another status report on August 22, 2016.

Respectfully submitted,

/s/ Adrian Maaskant
